Geology 101 Report

The arc of testimony

The covenant

I am sharing something special that the Lord put in my heart revelation after revelation. The Lord spoke to Moses and told him to build a Tabernacle where his presence would dwell. The ark of the testimony or the ark of the covenant.

The Lord gave Moses the blueprint it had to be two and a half cubits long and a cubit and a half in width and a Cubit and a half in height a cubit in our measuring system is 18 inches.

The Lord told Moses that it should be made out of acacia wood and to be overlaid with pure gold inside and out! To put two rings of gold on each side where two poles would go into each side and it will be able to be carried.

He told Moses to make a mercy seat of pure gold and to make two Cherubim of gold on top of the mercy seat.

I received this revelation of the Articles inside of the ark,

Inside of the ark was three items (Three represents the father, the son and the Holy Spirit

1- The 10 Commandments or the "LAW" which the people had to obey

2- A bowl of manna.

3-The budded rod of Aaron

1- The law which represents GOD (The Word)

2- The manna which was Delivered from heaven every day to the children of Israel in the wilderness represents Our daily bread JESUS(The bread of life)

3- The budded rod which was Aaron's the high priest represents the (resurrection life) of our high priest YESHUA

NOW We are the ark of the covenant because CHRIST JESUS lives in us and dwells with us!

We are the ark of the testimony!

JESUS WAS THE Unblemished lamb sacrifice for us to atone for our sins we no longer have to sacrifice any animals!

BY THE BLOOD OF THE LAMB AND THE WORD OF OUR TESTIMONY WE HAVE A RESURRECTED LIFE!!!

YESHUA IS THE "WAY" "THE TRUTH" AND THE LIFE!!!

Truly,
Rabbi Louis Ty Vit'ale
